★ An HD receiver is required to view HD channels. Most HD channels require subscription to the limited or expanded Cable level of service. Some HD channels require subscription to their digital cable counterpart in order to view those channels. If you own a One-way Digital Cable Ready (DCR) TV or other display device that is CableCARD™-compatible, you may lease either a CableCARD or a digital set top receiver in order to receive Cox Digital Cable. In order to receive Interactive TV services offered by Cox, such as the Interactive Programming Guide (IPG), OnDemand, and Pay-Per-View, and all programming options, you must rent a digital set top receiver. If you wish to lease a CableCARD in lieu of a digital receiver, you must obtain the CableCARD from Cox. Installation or activation fees may apply. CableCARD is a registered trademark of Cable Television Laboratories, Inc. (CableLabs®) and is used with permission. (D - Discovery Tier; S - Sports and Information Tier). Please call our offices for exact tier requirements for each channel.

★★ Some HD networks may not be available in all areas at this time.
