

# Take advantage of a win-win solution with bulk Cox High Speed Internet from Cox

**Bulk Cox High Speed Internet™ gives your community a competitive edge, and gives your residents the speed they demand. Residents demand advanced communications and entertainment options now, not tomorrow.**

## Bulk Cox High Speed Internet is the total solution.

For your residents, it means:

- The most popular Internet service in town
- Simple self-installation
- Features like blazing-fast Internet speeds and innovative entertainment

For you, it means:

- A clear competitive advantage
- Help to increase your property's marketability and attractiveness
- Perhaps best of all, resident retention

## Give your residents what they want . . . and more.

- A reliable, "Always-On" Internet connection
- Internet speeds that DSL just can't beat
- Up to ten different email addresses
- Cox Security Suite Powered by McAfee™ to protect their computer
- Media Store and Share to trade large files (with our Preferred and Premier package)
- Access to Cox Rhapsody where you can get access to millions of songs for the price of a CD

## Getting connected is simple and easy.

No more appointments or waiting around for a technician. Simply connect and get activated with our web-based self-install application. Residents can select the speeds, the applications, even the payment options they want. It's a solution that's not only easy to use, but provides fast installation and service.

**Bulk Cox High Speed Internet. The comprehensive solution for your residents that gives you a competitive advantage. Talk to your Cox Digital Community® Specialist today to find out how to become a Digital Community powered by Cox.**

**COX Digital Community®**

## A clear, competitive advantage.

- Discounts on high-speed Internet and a variety of contract terms and pricing tailored for each community
- Professional assessment of your current wiring infrastructure at no cost
- Decreased connect and disconnect technician traffic
- Residents have the option to upgrade to higher tiers of service, with individual resident billing for additional Cox services

your friend in the digital age®

Available to residential customers in Cox service areas. Modem required for service. For best performance, use of Cox approved cable modem is recommended. Uninterrupted or error-free Internet service, or the speed of your service, is not guaranteed. Actual speeds may vary. The Cox Security Suite powered by McAfee is included with your subscription to Cox High Speed Internet and will automatically terminate upon termination of your Cox High Speed Internet service. Cox cannot guarantee the intended results from the McAfee services or that the McAfee software will be error-free, free from interruptions or other failures. The McAfee services and features are subject to change. Not available for Apple users. McAfee is a trademark of McAfee, Inc. Not all services available in all areas. Some restrictions may apply. Rhapsody is a registered trademark of RealNetworks, Inc. © 2010 Cox Communications, Inc. All rights reserved.
