

Experience the difference with a Cox Digital Community®

When you partner with Cox, you get a reliable communications provider with solutions you can trust. We will be there to meet your resident's needs now and in the future.

The Cox Advantage

Cox owns, maintains and monitors one of the nation's largest fiber-optic networks positioning us to deliver innovative and technologically advanced products and services; which allow us to service more than 6 million residential and commercial customers. So our success is your success!

Commitment - Knowledgeable Industry Experts

- A dedicated Sales Account Executive and Account Manager to service your account
- A Sales Engineer for technology deployment throughout your community
- Training sessions for your sales professionals
- Marketing materials to display and distribute on-site
- Co-marketing opportunities to help promote your property
- 24/7 local technical support

Service - Local Service and Support

Your Cox Digital Community Team is fully empowered and equipped to provide our full suite of digital communication products. Since each Cox local market operates as a separate business unit, you won't have to deal with remote decision-making delays often experienced with larger companies, making managing your property a bit easier. Total accountability is right next door.

Reliability - A Network You Can Depend On

- Since 1990, fiber optics has been the backbone that allows Cox to deliver the latest in advanced technology
- An ongoing investment in our network allows us to continually expand our bandwidth capacity and remain at the forefront of innovation
- Depend on our resilient, robust network to satisfy your residents' bandwidth needs
- Experience the difference with a Cox Digital Community

Attract and Retain More Residents

We want to make sure your residents thank you for choosing Cox. With innovation, service and reliability, your Cox Digital Community team will do whatever it takes to make your community a desirable place to live.
