Available to residential customers in Cox service areas. Cox Advanced TV: Cox TV Starter at a minimum, Cox Advanced TV receiver or CableCARD rental, and Digital Gateway required. If you own a one-way Digital Cable Ready (DCR) TV or other display device that is CableCARD™-compatible, you may lease either a CableCARD or a Cox Advanced TV receiver in order to receive Cox Advanced TV. In order to receive Interactive TV services offered by Cox, such as the Interactive Programming Guide (IPG), On DEMAND, Pay-Per-View, and all Cox Advanced TV options, you must rent a Cox Advanced TV receiver. If you wish to rent a CableCARD in lieu of a digital receiver, you must obtain the CableCARD from Cox. CableCARD is a registered trademark of Cable Television Laboratories, Inc. (CableLabs®) and is used with permission. Cox does not charge extra for HD versions of standard-definition channels included in Cox Advanced TV subscriptions. An HDTV set and a Cox Advanced TV HD receiver or CableCARD™ rental required in order to access most HD programming. Thousands of free HD choices based on total number of HD program choices, including On DEMAND programming, available to Cox Advanced TV customers with HD service. Some On DEMAND programming costs extra. Monthly DVR service fee per DVR receiver applies. Number of digital outlets per household may be limited. Cox High Speed Internet: Modem required for service. For best performance, use of Cox approved cable modem is recommended. Uninterrupted or error-free Internet service, or the speed of your service, is not guaranteed. Actual speeds may vary. The Cox Security Suite powered by McAfee is included with your subscription to Cox High Speed Internet and will automatically terminate upon termination of your Cox High Speed Internet service. Cox cannot guarantee the intended results from the McAfee services or that the McAfee software will be error-free, free from interruptions or other failures. The McAfee services and features are subject to change. Not available for Apple users. McAfee is a trademark of McAfee, Inc. Cox Digital Telephone: Telephone modem (no additional cost to consumer) may be required. Modem uses household electrical power to operate and has backup battery power provided by Cox if electricity is interrupted. Telephone service, including access to e911 service, will not be available during an extended power outage or if the modem is moved or inoperable. Telephone service provided by an affiliated Cox entity. Not all services available in all areas. Some restrictions may apply. ©2010 Cox Communications, Inc. All rights reserved.
