CableCARD	\$ 1.99

* Advanced TV requires a separate Advanced TV receiver for each TV. If you own a One-way Digital Cable Ready (DCR) TV or other display device that is CableCARD™ compatible, you may lease either a CableCARD or a Advanced TV receiver in order to receive Cox Advanced TV. If you wish to lease a CableCARD in lieu of an Advanced TV receiver, you must obtain the CableCARD from Cox. Installation or activation fees may apply. CableCard is a registered trademark of Cable Television Laboratories, Inc. (CableLabs®) and is used with permission. In order to receive Interactive TV services offered by Cox, such as the Interactive Programming Guide (IPG), On Demand, and Pay-Per-View, and all programming options, you must rent an Advanced TV receiver.
